

THIRD ANNUAL

LAS ANIMAS COUNTY
VETERANS ROUND TABLE

MAY 19TH, 2026

10:00AM - 1:00PM (LUNCH SERVED)

To enhance awareness of available resources, build stronger connections, and address the unique needs of veterans in the region. It ensures veterans and their families are informed about healthcare, education, employment, and financial support while fostering a sense of community and belonging. By showcasing progress, partnerships, and success stories, the update empowers veterans, highlights tailored solutions for rural challenges like transportation and mental health services, and reinforces the county's dedication to those who have served. This platform also encourages collaboration and open dialogue to support and strengthen the local veterans' community.
